

Tim Davidson (Auctions) Ltd

Our dear friend & colleague, Julie Hale passed away on Monday 24th May. Needless to say, we are heart-broken as I know that all of you will be too. I can't think of anyone who she had contact with who didn't adore her. She was someone very special.

Monday was the first day of her treatment for an illness that had hit her over the last few months. It had been a day of great hope for us as we believed that no illness would stand a chance against a fit & fighting Julie. The only comfort to be taken now is knowing that she is not alone and not suffering anymore.

Our next sale was due to be held on 7th July which would have been her birthday. I know many of you have already replied to my request for birthday cards and I will pass them on to her family. It's important at this time that Len, her husband and her treasured children Fiona & Jeremy know of the love that there is out there for her.

We will put the July sale back to the 21st. Thank you in advance for your patience as we deal with our loss while keeping the company in the shape that she left it in for us. Please tell us if we go wrong, preferably with that look she always gave me!
